

Horn Lesson Requirements
Studio of Dr. Jacqueline Kerstetter
Spring Semester, 2005

MUS 255, 2 credits
Performance Major
Required practice: 3 hours/day

Scales: Mastery of all assigned scales, 2 or more octaves, performed in eighth notes, performed with metronome at quarter note = 100 or faster.

1. One new key signature will be assigned per week. Each week is cumulative, you must maintain mastery of all previously learned scales.
2. Scales are performed at the beginning of the lesson. If mastery of scales is not evident, the student will continue to practice his/her scales (during the lesson) until they are mastered. After mastery of scales is evident, we will begin work on the other lesson requirements.

Specific Scale Req.:

MUS 255, 1st Semester: All 12 major scales

MUS 255, 2nd Semester: All major and natural minor scales

MUS 255, 3rd Semester: All major, natural minor, and harmonic minor scales

MUS 255, 4th Semester: All major, natural minor, harmonic minor, and melodic minor scales

Solos: One major work (concerto or sonata) and 2 character pieces

1. One character piece on a divisional or general recital.
2. A different solo work on the horn studio recital (the other character piece or the major work).
3. Turn in a word-processed commentary assessing your performances. The horn studio recital will be recorded, so you will assess yourself after you listen to the recording. You are to treat yourself fairly in this commentary...not harder or easier than a commentary you would write about your peer's work.
4. Responsibility for finding an accompanist for your piece on the horn studio recital. This will probably include fees for the accompanist.
5. Responsibility for your share of recording fees of the horn studio recital. This usually costs \$10-\$15 depending on how many students are in the studio.

Etudes: Mastery of 2 etudes per week performed with metronome.

1. Etudes will include technical exercises on fast tonguing, multiple tonguing, transposition, high range, low range, etc.
2. Other etudes will be more musical in nature.

Excerpts: Mastery of 1 excerpt per week

Jury: This is your final exam for lessons. You will be required to play a jury for the brass faculty, so that they can assess your progress. You will perform one of your solos and 2 excerpts. An accompanist will be provided for your solo.

Important!

1. Mastery of assigned scales is necessary. If you do not master your scales, you will not be able to fulfill your lesson obligations concerning the other requirements.

2. Etude/excerpt books, solo literature, the BERP, tuner, and metronome purchases **MUST** be done by the 4th week of class. You will not be allowed to use a friend's books or to use photocopies unless the music is out of print, or unless Dr. Kerstetter specifically gives you permission to use a photocopy.

3. Excused absences = sickness with a doctor's note or icy roads (if you live outside of Manhattan). Unexcused absences = forgetting about the event or lesson, any conflicting appointments (work-related, school-related, dentist, etc.). Remember that you are at K-State to get an education in music.

Tardies = 1=10 minutes late.

4. The above requirements are based on a 14-week semester. This means that if you would like to have a "week off" (i.e., freebie lesson), please let Dr. Kerstetter know **BEFORE** the lesson.
